WriteareviewRatethisitem: Five of the seven critical pieces in this & Postcolonialism (Irish Studies) deal, at least to some extent, with topography, geography, cartography, or the travelogue; in other words with the ideological impact and implications of describing, measuring, and naming places. Joyce, in a dream she had come to him after her death, her wasted body within its loose brown grave-clothes giving off an odour of wax and rosewood, her breath, that had bent upon him, mute, reproachful, a faint odour of wetted ashes.
